- 50 GPD membrane (made in USA).
- Quick connect fittings on inlet and outlet.
- Four gallon metal or plastic storage tanks.
- Long reach chrome faucet (air gap and non air gap).
- Saddle valves, tubing and instructions included.
- One year limited warranty from date of purchase.

Specifications

Specification	Data
Membrane	50 GPD
Maximum pressure	100 psi
Minimum pressure	40 psi
Maximum TDS	2,000 PPM
Maximum hardness	15 GPG
Maximum Iron	0.3 PPM
Maximum HS	0.0 PPM
Tubing (tank & faucet)	3/8"
Tubing (other)	1/4"

Components

Components	Part number
Pre-filter, sediment	HU-10
Pre-filter, carbon	HU-11
Pre-filter, carbon	HU-12
Membrane	HU-13
Post filter	HU-14
Faucet	HU-15
Metal tank	HU-16
Plastic tank	HU-17
Fittings (inlet, outlet)	HU-18
Feed water valve	HU-19

Models - 5 Stage

Model Number	Stage	Membrane (GPD)	Tank	Faucet	Fittings (Inlet / Outlet)	Ship Wt.	No. Per Pallet
HU-01	5	50	Metal	Non air gap	Quick connect	25	24
HU-02	5	50	Plastic	Non air gap	Quick connect	25	24
HU-03	5	50	Metal	Air gap	Quick connect	25	24
HU-04	5	50	Plastic	Air gap	Quick connect	25	24

Models - 4 Stage

Model Number	Stage	Membrane (GPD)	Tank	Faucet	Fittings (Inlet / Outlet)	Ship Wt.	No. Per Pallet
HU-05	4	50	Metal	Non air gap	Quick connect	25	24
HU-06	4	50	Plastic	Non air gap	Quick connect	25	24
HU-07	4	50	Metal	Air gap	Quick connect	25	24
HU-08	4	50	Plastic	Air gap	Quick connect	25	24
